

# TanksDirect

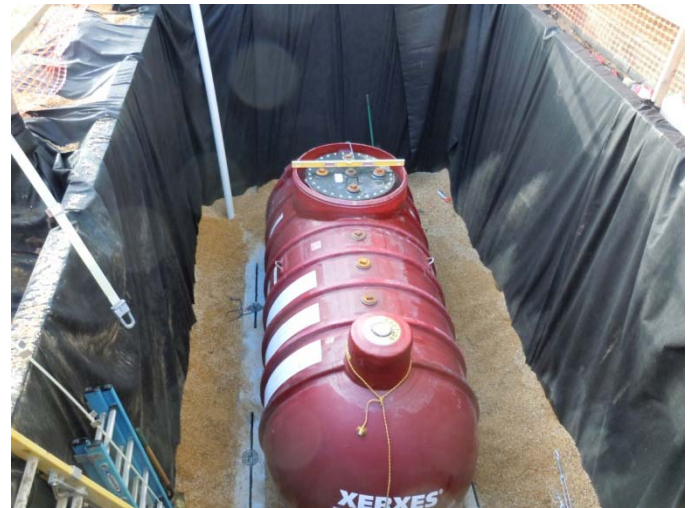

“first choice”

## PROJECT INFORMATION SHEET

**Project:** 3 White Flint North Building  
Rockville, MD

**Project Description:** Tanks Direct was contacted to install a complete turn-key emergency generator fuel distribution system. This project features one (1) 3,000 gallon Xerxes fiberglass underground storage tank, four (4) Aylan duplex fuel pumpsets, a Pnuemercator Tank Monitoring & Leak Detection System, and Steel Welded Piping installed through sixteen (16) levels of building. The fuel system distributes fuel to four (4) rooftop emergency generators with one (1) additional supply line for future use.
