

TanksDirect

“first choice”

PROJECT INFORMATION SHEET

CITICORP

Owner: Citicorp Data Center
Silver Spring, MD

Project Description: Tanks Direct was contracted to provide the installation of four (4) new 25,000 gallon underground storage tanks for the storage of fuel oil to supply emergency generator day tanks at a mission critical data facility. Highlights of the project included:

- Excavation, sheeting, and shoring in the existing parking lot to allow installation of the new Xerxes underground fiberglass storage tanks
- Installation of all fuel oil piping (both steel welded and flexible underground)
- Tank monitoring and leak detection system
- Concrete construction (duct bank, tank surface and hold down pad)
- Testing, commissioning, and start-up

8580 Laureldale Drive, Laurel MD 20724
