

TanksDirect

“first choice”

PROJECT INFORMATION SHEET

Owner: Crossroad Christian Church
St. Leonard, MD

Project Description: Tanks Direct was contracted for the supply and installation of a 10,000 gallon single wall steel ACT100U type underground fire suppression water storage tank. Installation included coordination with the general contractor to allow for an indoor/outdoor basement penetration into the building. This method provides easy access to the storage tank for regular maintenance and inspection.
