

# 2016 FUEL SYSTEMS SOLUTIONS AND TECHNOLOGY SEMINAR

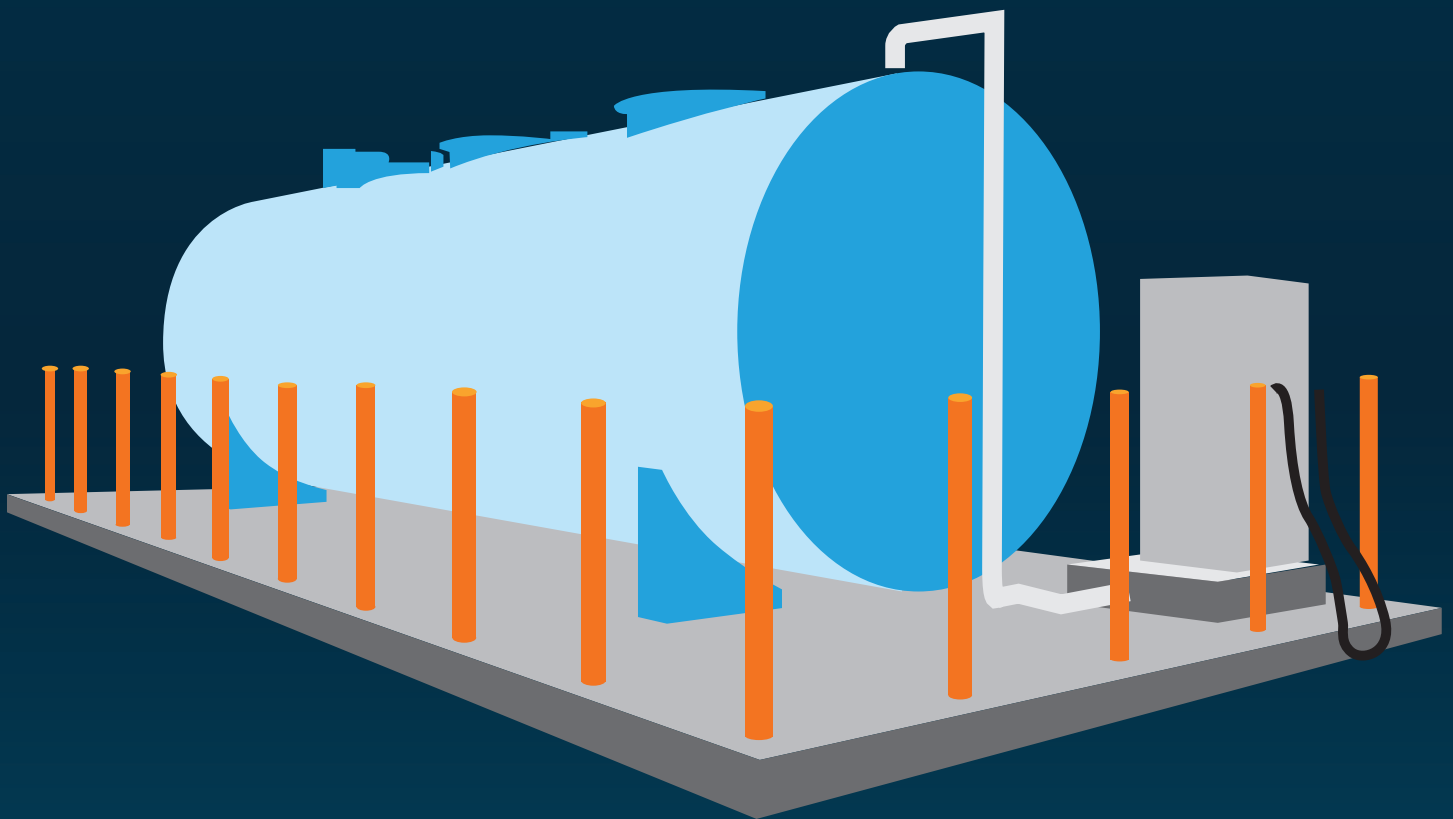

**BENECOR**

**FuelMaster**

**OMNTEC**

**MAY 19**  
**MARRIOTT GREENBELT**

**TanksDirect**  
"first choice"

## Learn the latest in Fuel Management: How to operate economically, efficiently, & environmentally friendly

Don't miss out on an opportunity to learn about innovative new products, Federal EPA UST regulations and solutions that will help you run your fueling facility more efficiently.

The following will be covered:

- DEF, diesel exhaust fluid systems and trends
- Tracking and managing fleet maintenance costs using automated fuel management systems
- Solutions for monitoring fuel tank inventory
- Federal EPA UST regulations

## Accommodations

### Marriott Greenbelt

6400 Ivy Lane  
Greenbelt, Maryland 20770

Tel: 1-301-749-4755  
Fax: 1-301-749-4756

The Greenbelt Marriott welcomes you with contemporary style and a convenient location near 1-495 and the Washington, DC Metro. Settle in to one of our well-appointed hotel rooms, which offer both comfort and functionality; marble bathrooms, pillowtop mattresses, and flat-screen TVs are just a few of the perks waiting for you in your accommodations.

## Learn more about your presenters

### FuelMaster

Syntech Systems, Incorporated is a dynamic defense and commercial engineering design and manufacturing firm. Learn more about eliminating manual tracking of fuel transactions, creating more cost-effective business practices, and increasing accountability!

### EPA

Federal EPA UST division representative will present an overview of recently updated regulations for underground storage tanks for the 2016 year.

### Husky

For 65 years, Husky Corporation has served as a trustworthy guide, developing breakthrough, American-made fuel nozzles, safe-t-breaks, and accessories. Learn more about DEF systems and practices during their presentation.

### Benecor

Benecor is the industry leader in designing & manufacturing the highest-quality def dispensing & storage solutions. Benecor manufactures DEF storage systems, retail dispensing equipment, pumps and pump packages for totes and drums / barrels. We also engineer custom DEF storage and dispensing solutions tailored to customers' unique needs.

### Omntec

Learn how to cost effectively meet the new EPA operator requirements, regardless of your Tank Gauge manufacturer, and mitigate your risk with innovating new OMNTEC products.

### TanksDirect

Tanks Direct is a full-service petroleum, water, and chemical storage tank distributor with in-house storage tank installation and service technicians. As a leading national distributor and contractor, Tanks Direct can offer competitive pricing, on-time delivery, and expert assistance to make your project a success.
